DESCRIPTION OF HALLBERG-RASSY 42 MKII

Hallberg-Rassy 42 MK II-2000, very well maintained and updated, second owner selling, only sailed in Nordic waters. The Hallberg-Rassy 42F is a popular and comfortable cruising yacht, ready to sail to the world at any given place. The facility offers excellent comfort with two bathrooms and two showers, one of which is separated. As with all subscribed German Frers, the Hallberg-Rassys, it is also an elegant and well-built boat with more than considerable speed.

The yacht had two owners of which the first kept it in marina care and indoor winter storage each winter at Neustadt in Holstein (until sold 2012) and the second kept it in heated indoor winter storage each winter at yards in Ellös/Henån, Sweden.

This Hallberg-Rassy 42 is very well maintained and updated by its first two owners. VAT documentation and full history available.
