DESCRIPTION OF REGINA AF VINDÖ 43 PILOT HOUSE

Second time BoatAgent is selling this very nice yacht. Current owner (since 2011) has taken well care of this beautiful piece of Swedish boatbuilding knowledge, produced on Vindön/Orust by craftsmen hard to find today.
This Regina has not been used over the seven seas, only limited use in Scandinavian waters. So no wear and tear in the Med, or over the Atlantic.
If your plan is to go for blue water cruising, this is a rare opportunity.
This Regina is in a very nice condition, teak is well taken care of, and the interior is almost in mint condition.
